## **BOARDMAN CIVIC ASSOCIATION**

The Boardman Civic Association is a group of local businesses, civic, and community leaders interested in the general welfare and development of Boardman.

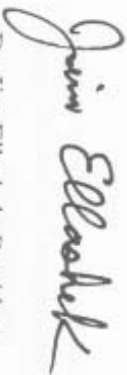

The BCA acts as an informative group sharing news through its quarterly meetings. The members receive updates on matters in the township as well as news from the schools and township park. The BCA promotes community pride by annually giving awards for a new and remodeled buildings. The BCA also selects an outstanding community leader as their Citizen of the Year.

The BCA takes an active role in supporting many worthwhile community activities. The Civic Association traditionally devotes its May meeting to recognizing graduating honor students.

Although the Boardman Civic Association is a non-partisan group it holds the only local forum to discuss township, school, and park issues, and feature local candidates for elective office.

We invite you, as an individual, or members of your business team to consider joining this worthwhile organization. We want to get to know you and encourage you to become involved in the Boardman Civic Association. For additional information, feel free to contact any officer or director. If interested in becoming a member, please detach and return the application included on this brochure.

Thank you for your consideration,

Dr. Jim Ellashak, President
