

A Special Invitation

The Boardman Civic Association is a group of local business, civic and community leaders interested in the general welfare and development of Boardman Township.

Through its quarterly meetings, BCA members receive updates on matters in the township as well as news on the school and park systems. The BCA promotes community pride through the annual building awards dinner (new and remodeled), the Citizen of the Year Award, and the Scholarship Dinner recognizing graduating honor students.

The BCA is a non-partisan group, and holds the only annual local forum to discuss township, school and park issues, which feature local candidates for elective office.

We invite you as an individual, or a member of your business team, to join us in this worthwhile civic and networking organization. For additional information, please contact any Board Member, or see our website. If interested in membership, please complete and return the application included in this brochure.

Thank you!
